F.No. PPV&FRA/Legal/02/2019

Dated: 08.03.2021

**PUBLIC NOTICE**  
(4 of 2021)

**Subject:- Payment of Annual fee under Section 35 of PPV&FR Act, 2001 and Renewal fee under Section 24 (6) of PPV&FR Act, 2001 in case of Compound Registration-Reg.**

In case of Compound Registration, wherein hybrid with its parents is registered, the Registered Breeder shall have to make a single payment of only Rs. 2000 for the hybrid along with all its parents, towards the fixed component part of the Annual Fee. The other two components of the Annual Fee, namely the sale proceeds and royalty share shall be calculated as accumulated over each of the component genotypes involved in the compound registration, that is, over the involved parents (1 or 2 or 3 or more, as the case may be) and the hybrid. The Registered Breeders are hereby informed to make the payment clearly demarcating the common single fixed component fee and proportion of both sale proceedings and royalty of each parent along with the hybrid each, separately.

Accordingly, separate Annual Fee return forms, one for the fixed component of the hybrid along with parents and one for the shares from sale proceeds + royalty for each parent and hybrid, have to be filed. However, only a single Renewal Fee shall be payable over the whole set of the hybrid and its parents. The parents shall include the pollinator, female as well as maintainer of male sterility as the case may be.

It may be noted that in case any of the parents of a hybrid is common to other hybrid/hybrids, for calculation of the fixed part of the Annual Fee and sale proceeds/royalty part, as well as the Renewal Fee of each compound registration, the identity of the concerned hybrid shall be the base for the payment of both Annual and Renewal Fee, in each case.
